

“Campers”

This year for the first time we are able to offer two camping areas. The first is the traditional area in the field behind the Turakina Domain, access to this is via the parking area and around to the camp ground. (Please don't attempt to drive across the Domain.)

The second area is for campers that prefer a quiet spot away from evening festivities. This can be found on the Turakina School ground, at the opposite end of Cameron Road to the Domain. Because this is a school ground there is “No Smoking”, “No Alcohol” and “No Dogs”. Only tents are permitted in this area, no camper vans.

Please be aware that there are no powered sites, water is available in both areas but should be boiled before consumption. Some Port-a-loos will be available at both areas.

Camp sites cost \$5 each per night and Gate Passes are required to enter the Turakina Highland Games Area.

Please display your camping pass in a prominent place.

The school pool will be open during the afternoon for a gold coin donation at the pool gate. The pool is private property if the gate is locked the pool is closed – please do not trespass.

Camping is at your own risk.
